About:

Proven Producer of National & Regional Champions!

Beautifully elegant, Raleighs Full Moon sires exotic, 100% Palomino and Buckskin foals. He has been DNA tested at UC Davis and will not produce a Smoky Black.

Moons foals exhibit his tall, large boned frame, coupled with smooth refinement and kind, trainable minds. Their stunning color enables them to stand out in any show arena.

Standing 16 hands, American Warmblood, Cremello Stallion Raleighs Full Moon is recognized by six registries. He has been presented for inspection with the AWR and has earned his

Permanent Breeding License.

This distinctive honor means he has sired ten or more foals with exemplary inspection scores and all of his offspring are eligible for AWR inspection and registration.
