**About:**

Conquistador S is a powerful and athletic jumper with an exceptional technique and a great mind. The stallion has showed up to 1.40 m Grand Prix with great results.

His sire **Contendor** competed successfully in international Grand Prix both in Germany and the United States.

Conquistador's dam **Indio** is by Liostro, the last approved stallion by the legendary Thoroughbred Ladykiller xx. Liostro has produced over 100 successful sport horses.

Conquistador's first offsprings are impressive and got the highest rating, first Premium Premier, at their approvals. They are of great type, very intelligent, and athletic.

**Stud fee:**

\$750.00/dose

**Breeding methods:**

Frozen Semen

**Breeding goals:**

Show jumping
