and Driving

About:

Gemini Farm is excited and pleased to present Gemini Mr. Solo for the 2020 breeding season.

“Solo” provides the opportunity to breed here in the US to one of the most successful Show Jumping, Hunter, and Eventer lines in modern history. His sire Mr. Whoopy was the leading Show Jumping American money winner in 2012 winning many World Cup Qualifiers, 2nd in the HITS Million, and placed high in the American Olympic Trials. Grandsire Contendro 1 has been ranked by the Rolex International Stallion Standings as the #1 producer of event horses in multiple years.

Solo’s Dam Gemini Fable has just as strong of a pedigree in the Eventer and Hunter world. By Heinzelmann (Storyteller), AHSA top 10 Hunter Stallion, and grand sire Bukephalos who was an international 3-4 Star Event horse.

Solo is the culmination of this amazing lineage. Scope, Balance, Careful, Beautiful Movement, Amazing Character, Kind, and Super Brave, he is everything you could want in a future Sire. His 2019 offspring all scored Premium with 50% achieving the Premium Premier Status.

While still sound, Solo was unfortunately sidelined in his own career by a minor leg injury. This allows us to dedicate him as a foundation sire within our Gemini program and to you. 2020 Bookings now open. Additional information always available.
