**Breeding methods:**

Live cover LFG or  
Fresh transported semen

**Breeding goals:**

Eventing  
Dressage

**Pedigree:**

D-2 x CSO Grand Sheena by Fargrant

**About:**

The stallion **Déjà-Vue d'Aljarad** has a powerful, uphill and balanced canter. With his correctly proportioned and strong back, he has improved offspring out of heavier mares.

Déjà-Vue offspring show beautiful conformation and a strong neck, large bone frame and big and solid feet.

The stallion is a true gentleman with an exemplary temperament that he passes on to his foals. He is brave and calm with good power over the jumps making him an ideal horse for eventing. He is very pleasant to work with at liberty and loves to learn new tricks.

Déjà-Vue impressed at his inspection with his cool and layed back mind and his jumping ability.

He will have a great future in eventing and dressage.

This all makes him the stallion of choice to improve your breeding efforts .
