About:

Raven Sky is a 16.2hh 2016 Thoroughbred stallion by Dance With Ravens (AP Indy x Dance Smartly [Danzig]), out of Skyler's Rainbow (Exploit x Donusa [Woodman]).

Raven is very sweet, quiet, willing, and is incredibly intelligent. He is showing an aptitude for learning, and a talent for sport: jumping, dressage, foxhunting, etc.

We believe Raven will be a multifaceted stallion, able and willing to enjoy anything of which we ask him. Please stay tuned in for career highlights.
