Talent, Temperament, and Heart

paired with exceptional jumping ability and great rideability.

This All-American stallion has movement that is powerful, subtle and athletic. He has an exceptional canter in addition to clear and relaxed rhythm in all gaits. Billy Echo LLF is a powerful jumper with courage and technique amplified by his quickness and agility.

Standing at 17.1 hh, Billy Echo's powerful build is coupled with the scope and quickness of a competitive jumper. A naturally balanced canter with a huge stride, Billy is adjustable and easily gets down the lines.

With his easy-going personality, the stallion is extremely rideable and uncomplicated to train, a trait that has been passed on to his offspring. His offspring are large in stature with powerful movement and curious personalities.

Billy Echo can be used to improve the type, character, and scope on a variety of mares.
